PRESS RELEASE

SUBJ: DERRY 2008 TAX BILLS CONTAIN INFORMATION ERROR

Derry, New Hampshire

November 5, 2008

FOR IMMEDIATE RELEASE

Town of Derry property tax bills that were mailed Monday, November 3, 2008 contain an informational error that does not affect the "Gross Tax" or the "Amount Due" shown on the tax bill received, according to Town Administrator Gary Stenhouse.

The line just below the tax rate and its components, labeled "Tax Dollars by Rate", is not correct. The numbers shown do not add to the "Gross Tax" amount shown on the bill, which is correct. The "Tax Dollars by Rate" are provided as information only and should break down the "Gross Tax" for the year by its various components. In the printing of the bills, these amounts were calculated incorrectly. "The Town sincerely apologizes for any inconvenience this may cause its taxpayers" stated Chief Financial Officer Frank Childs. "We will be mailing a letter to all taxpayers that will include the correct breakdown of the Gross Tax by the various components on the line on the bill that shows Tax Dollars by Rate. I want to reiterate that the actual amount due shown on the tax bill that you received is correct."

Please contact the Tax Collector's Office at 432-6106 if you have any questions on the tax bill you receive.
