Non-Binding Referendum Question

To act upon the following Article: Do You Support the Development of the Proposed Exit 4-A Interchange on Interstate Route 93?

Explanation: Exit 4-A would be a new exit off of Interstate 93. It would be located between Exit 4 and Exit 5. It would exit in Londonderry and travel east into Derry. The proposed route would incorporate the use and widening of Madden Road, Folsom Road, and Tsienneto Road, all in Derry. It is thought that this new exit would ease traffic congestion on Route 102 as well as increase commercial and industrial development in both Londonderry and Derry. The Towns of Derry and Londonderry have agreed to spend no more than \$5 million each for the project. It is hoped that any remaining balance would come from State and Federal funds. Should State or Federal funds be unavailable for this project, the Town of Derry would not be obligated to move forward with construction.
